Significant VEIPD Center website revisions are underway. The revisions will include ADA compliance.

Social Emotional Needs of the Family - These handouts consider the implementation of the Division of Early Childhood (DEC) Recommended Practices and the Infant Mental Health (IMH) competencies. Practitioners will consider ways to support the social-emotional needs of the caregiver and child and this includes examples of what this looks like in practice. View the [Family Edition](#) or the [Practitioner Edition](#).

Exploring Object Affordances, Object Permanence, and Cause & Effect - Discover how play supports early learning by exploring object affordances, object permanence, and cause-and-effect. Learn how these concepts promote problem-solving, curiosity, and cognitive development in young children.
