Key Components

Sharing with Families

” What information does your system share with families regarding transition? How is it shared? “

Use your chat feature to share your response.

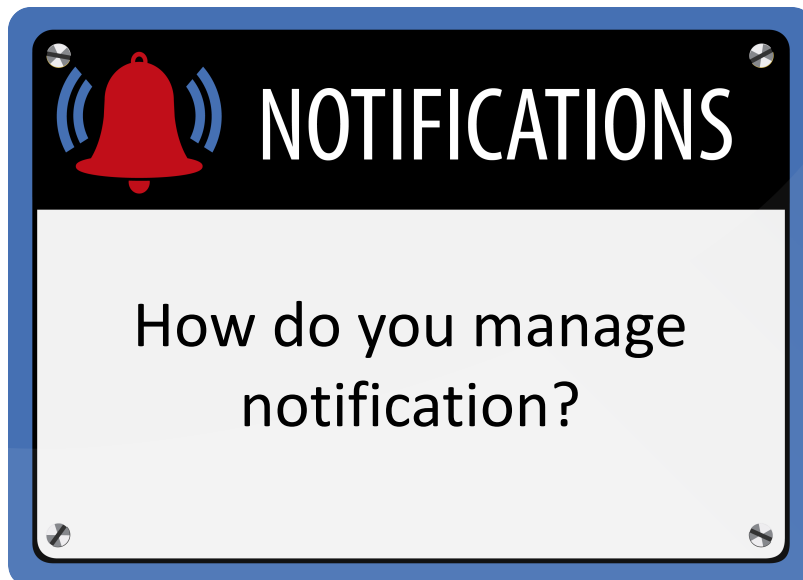

When do you start?

When does your
local Part C system
start planning with
Part B for
upcoming transitions?

Use your chat feature to
share your response.

What are some
effective
strategies your system
uses around
notification?

Use your chat feature to
share your response.

Transition Planning Conferences

What strategies
does
your system use
to support
transition
planning
conferences?

Use your chat feature to
share your response.

Communication

How do you communicate between
Part C and **Part B** to make sure the
process goes smoothly?
